*Business grade services have redundant data feed, no ports blocked and no prioritisation; unless otherwise shown in the plan name, they are not subject to shaping once included data is used; plans not subject to shaping and which do not include 'unlimited' data are subject to excess data charges once the included data is exceeded; 'unlimited' data means there is no restriction on the amount of data used; business grade services come with a permanent IP with generic reverse lookup.

2. Other Costs

- once-off setup fee for all services is \$119.00;
- pre-configured modem/router/4-port switch \$89.00 and dual-port line filter \$10.00;
- on-site install available most areas from \$105.00; networks or special installs extra;
- \$39.00 churn fee to TWG from participating providers;
- fee for plan change is \$15.00;
- minimum 3 months contract - 1 month's notice required before cancellation;
- cancel service under 3 months and a disconnection fee of \$59.00 applies

8. Please tell us about your computer(s):

Either a USB or ethernet port is required on the computer(s) to connect the modem/router. Operating systems other than Microsoft Windows (e.g. MAC, UNIX) may require additional hardware and/or may incur additional labor fees.
